Manager, Environmental Protection & Safety

RE: CERTIFICATION OF WATER POLLUTION ABATEMENT FACILITY

Dear Mr. Madzy:

Enclosed is our Certification of Water Pollution Abatement facility as described on the face of the document.

This certification is based upon our findings that the facility was designed primarily for the control or abatement of water pollution. This certification in no way relieves the recipient of the obligation to conform with wastewater treatment regulations or requirements made effective at any time hereafter.

Sincerely,

ORIGINAL signed and mailed

Paul C. Kurisko, P.E., Chief  
Industrial Waste Management Bureau  
Water Quality Management
